EVAN

Picture me e.t.c

.....

Just about to turn,
Just about to turn,

EVAN and KIDS

Thirteen!

EVAN

Everything switches...

KIDS

Thirteen!

EVAN

Everything turns around
End up in stitches
Hide away underground
Can I get through it?
Life has changed overnight
How do I do it?

KIDS

Thirteen!
Thirteen!
Thirteen!
Thirteen!
Thirteen!
Thirteen!

EVAN

Nothing is going right!

EVAN and KIDS

The best and the worst
And the most and the least
And the crazy and the scary
And I'm standing on the edge!

EVAN

Twelve years old
Everything that used to be as good as gold
Starts to crumble and crack.

EVAN & TWO BOYS

Pressure mounts:
Once it was a joke, now it really counts
And there's no turning back

ADD TWO GIRLS

Life goes wrong

ONE BOY

Suddenly they're yelling cause your hair's too long

GIRL

ALL

Why is the world feeling suddenly stranger?
Why are my friends acting totally weird?
Why do I feel like my life is in danger?
Why do I feel like my brain disappeared?

GIRL

How can I get through a year of Spanish?

BOY

How can I not look dumb in track?

BOY

How can I gain twenty pounds by Friday?

BOY

How can I make my voice not crack?

ALL

I wanna fly, wanna run, wanna drive,
Wanna get rich,
wanna get drunk,
wanna get out!
Wanna get my braces off,
Wanna get my nose pierced,
Wanna grow my hair long,
But all I keep hearing is:

“No, you're not ready!
No, it's not time yet! x3
No, it's not right now!
Wait until you're older!”

“Homework
Laundry
Dishes
Courses
Just settle down and hold your horses!”

BEING A GEEK

Geek, Geek,
Geek, Geek,
Geek, Geek, Whoa-oh.

RABBIS

Oh, yeah.
It's like a cold wind blowing, yeah.
If you like the wrong movies,
If you like the wrong bands,
If you take the wrong classes,
Don't speak!

EVAN

You're a Geek!

RABBIS

If it's Saturday night
And you don't have any plans,
'Cause you spent the last week
Learning Greek –

EVAN

You're a Geek!

RABBIS

If you're very well acquainted
With the locker room toilet
'Cause your head's been shoved inside it,
Just squeak:

EVAN

"I'm a Geek!"

RABBIS

If you start to get excited
'Cause you're gonna throw a party,
But the people you invited
All shriek –

EVAN

Geek!

RABBIS

"You freak!"

EVAN

RABBIS

Geek!

EVAN

You're not unique!

RABBIS

Geek!

EVAN

It's just the life of the geek!
 But when you're cool
 You can rally when the blues attack.
 Ev'ry problem just rolls off your back.
 You can handle ev'ry slip and slide
 Without breaking your stride!

When you're cool.
 You don't care that people disappear.
 You don't care that your Dad's not here.
 You don't care that your life's been
 Uprooted and bent
 Without your consent!

RABBIS

When you're cool, oh, oh,
 When you're cool, oh, oh,
 When you're cool, oh, oh,
 Whoa-oh, whoa-oh,
 Whoa-oh, whoa-oh,

When you're cool, oh, oh,
 When you're cool, oh, oh,
 Oh...

EVAN

A Geek's afraid it's never gonna be okay, But the cool kid knows it doesn't matter anyway.
 It's the difference between
 Being fine at thirteen
 And the lonliest thing...
 I said, it's the lonliest thing...
 I know it's the lonliest thing
 In the world.

RABBI

Keep trying, Evan.
 You can do it, Evan.
 Be a man, Evan.

RABBIS

Geek, Geek.
 Geek, Geek.
 Geek, Geek.
 Hmm.

IT CAN'T BE TRUE

ALL

'Cause he said she saw

She said she saw

She said he saw
